Complementing the magazine is Logisticsandscm.com and its daily eNewsletter, which industry professionals can sign up to receive via the homepage. Updated throughout the day, the website is the main news resource for executives looking for the latest information on distribution contracts, 3PL deals and appointments.

If you are looking for coverage in Logistics & SCM, look no further – we offer a number of opportunities, including roundtables, brandviews and special reports. Each option provides you with a different way of communicating your story. So whether you're looking to profile your company, introduce team members, highlight a new project or product, or discuss a relevant topic affecting the industry at large, Logistics & SCM is keen to work with you to perfect your message. It is, thus, an essential guide for its business leaders and key decision-makers.
